Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-975, 04/12/19, 0231 hours:** Received email from the California State Warning Center (CSWC), advising they received a call from the Air Force Rescue Coordination Center (AFRCC) regarding a Personal Locator Beacon (PLB) sounding in Ventura County, 34 15.07 N -119 12.13 W. Device was determined to be in a residential neighborhood. The device was not registered, so they had no contact information. 0234 hours: Contacted AFRCC and confirmed the information provided by CSWC. AFRCC reported they received an additional Lat/Long coordinate of 34 15.07 N 119 12.2 W. 0251 hours: Contacted Ventura County Sheriff Office (SO) dispatch and advised of PLB activation and provided the Lat/Long coordinates. They advised Ventura Police Department was investigating a report of a PLB in the same general area and connected me with Ventura Police Department (PD). I provided Ventura PD with the PLB information and coordinates. They advised they would have one of their patrol supervisors contact me. 0308 hours: Received a call from Ventura PD patrol advising they were currently investigating an anonymous citizen report, advising they visually observed a locator beacon near the jetty in the same general area. They advised they would contact me when they had additional information. 0332 hours: Spoke with AFRCC, who advised the satellite had a miss pass (no signal being transmitted from PLB device to the satellite) of the device signal. They will monitor for the next two hours and notify us if they receive another activation from this device. If no activation is received within the next two hours, they will close the mission. 0449 hours: Received call from AFRCC advising the PLB timed out and they were closing the mission. 0453 hours: Contacted Ventura PD and updated them on the PLB. They advised they checked all coordinate locations and were unable to locate. **MISSION CLOSED.**
- **2019-LAW-782 04/05/19, 1507 hours:** Request from Santa Cruz Sheriff Office for assistance on a missing person in Big Basin State Park. Subject has called in sick for the last 3 days to work and has not been seen around his residence. His vehicle was found on Highway 246 at Big Basin State Park. Request for 2 trailing K9s and 20 Type I or II ground searchers for 04/06/19 at 0700 in Big Basin State Park. Requests made to State K9 Coordinator, Monterey County and San Benito Counties. Monterey County sending 10-12, San Benito sending 13, and 2 K9s confirmed for the search. **Mission Update 04/06/19, 2000 hours:** The subject was not located – Santa Cruz SO was very thankful for the response and mission closed. **Mission Update 04/10/19, 1436 hours:** Request from Santa Cruz SO to reopen the incident and get two HRD K9s to assist with another search on 04/12/19 at 1000 hours. Request sent to the State Canine Coordinator. **Mission Update: 04/11/19, 1000 hours:** State K9 Coordinator advised K9 request was filled and resources will deploy to the identified location. **MISSION ONGOING**
- **2019-LAW-558, 03/29/19, 0851 hours:** Butte County Sheriff's Office, requested 2 Human Remain Detection (HRD) K9s for a Law Enforcement sensitive mission. Mission schedule for 04/05/19 at 0800 hours. CALOES LEB canine coordinator is coordinating the request. **Mission Update 04/04/19:** Butte County Sheriff's Office has closed this mission due to weather, no estimate on when the mission will be in the future. **Mission Update 04/09/19:** Butte SO has asked to reopen the mission with a request for 4 HRD K9s and 5 flankers for the date of 04/12/19 at 0800 hours. Request has been filled on 04/08/19 at 1901 hours. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-Inland-894:** Modoc County requested one CDCR hand crew to assist with sandbagging operations in and around Lake City. (On Scene)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)
